Submitted to the Government.

2. The Collector of Bellary has since submitted proposals for the absorption of the State employees of the Sandur, Revenue Department in the service of the Provincial Government in accordance with the principles laid down in G.O. Ms. No. 355, Public (Political), dated 26-3-1949. Two statements giving particulars of the various State employees have been submitted. Statement No. I deals with 22 persons whom the Collector proposes to absorb in this Government's service and Statement I contains the particulars of those whom the Collector proposes to discharge or retire on grounds of unsuitability for further service, lack of qualifications, unwillingness to serve and the like. The proposals of the Collector are as follows:--

Statement No. I.

| Total number of persons proposed for absorption | | | 22 |

The Collector proposes to absorb the persons mentioned in Statement No. 1 (the clerks and peons) in the Bellary district itself as there are only a small number of State employees who are to be taken in this Government's service. The future territorial affiliation of the Sandur State has not been finally decided. The Board has already submitted proposals to the Government separately for the formation of a separate taluk called the "Sandur Taluk" with head quarters at Sandur and with the two neighbouring firkas of Tornagal and Choranur added to the merged area (formerly comprising the Sandur State). There are only 9 clerks and 9 peons to be absorbed in the Revenue Department and they can be absorbed in the Revenue Department and they can be absorbed in the proposed "Sandur Taluk" itself when it is formed or in the other offices in the Bellary district itself.

3. Proposals for absorption.

Statement No. I - Section I. The proposal of the

p.t.o.

Collector of Bellary is to absorb the five persons mentioned i
thés section as Lower Division clerks in the Revenue Departmen
These persons possess the minimum general educational qualifi-
cation and are found suitable by the Collector for absorption
as Lower Division clerks. In the cases of S. Nos. 1, 2, 4 and
the relaxation of the age rule is necessary. The Collector
has stated that these men are not eligible for the grant of
advance increments under G.O. Ms. No. 73, Finance, dated
6-2-1947 as none of them has put in two years' service in that
particular cadre as the present scales of pay of the Sandur
employees were introduced only in the year 1947. The Collecto
of Bellary is being informed that according to para 5(e) of
G.O. Ms. No. 855, Public (Political), dated 26-3-1949 these
State employees will be eligible for one increment in the
Provincial scale if they have had one year's service in the
new Sandur State scale introduced in 1947 or count any perio
less than one year which has not been already counted for
increment in the State scale. The Board recommends that the
~~approval of the~~ proposal of the Collector to absorb the five
persons as Lower Division clerks may be approved.

G.O. Ms. No. 3338, Public (Political), dated 28-9-1949.

---

There are altogether 48 persons belonging to all categories of service, i.e., Inferior, Ministerial subordinate and Gazetted services working under the control of Revenue Department in the erstwhile Sandur State. The Government have ordered in G.O. Ms. No. 3238, Public (Political), dated 21-9-1949 that the principles laid down in G.O. Ms. No. 855, Public (Political), dated 26-3-1949 regarding absorption of State employees shall apply mutatis mutandis to the absorption of Sandur State employees. I have examined the question of their absorption with reference to the principles enunciated in the above G.O. and submit the following proposals.

Two statements in the form prescribed in Board's Ref. W. 5913-49-2, dated 3-8-1949 are enclosed. Statement No. I contains proposals for the absorption of Sandur State servants in the Revenue Department in Bellary District. Statement No. II relates to proposals for compensation or retirement of persons, working in the Revenue Department of the late Sandur State found unsuitable for absorption in any department in Madras Province by reason of age or lack of qualifications and efficiency.

Proposals for the constitution of Sandur into a Taluk have already been submitted in my R.C. No. 5480-49, dated 25-6-1949 and 17-9-1949 and the following establishment is required for a taluk office.

(1) One Tahsildar
(2) One Taluk Head Accountant
(3) Eleven clerks (2 Upper division and 9 Lower division clerks)
(4) 3 Revenue Inspectors (one for each firka)
(5) One Firka Supply Officer (Temporary).
(6) One Shroff
(7) 10 Peons (as per scale laid down in G.O. No. 68 Finance, dated 15-7-1948) - two for office 3 for process work, one under each Revenue Inspector, one for the Tahsildar and one f the Firka Supply Officer).

I have not proposed a separate stationary sub-magistr for Sandur, as the Tahsildar will try II class cases and the Taluk Head Accountant will try the III class cases as has be proposed in my Rc. 6103/49, dated 9-10-1949. Whether Sandur is to be a Taluk or a Sub-Taluk, we have only 9 clerks and 9 peons to absorb. If Sandur is constituted into a Sub-Tal the staff in excess of the Sub-Taluk requirements will have be absorbed in the Revenue Department of Bellary District. A the question whether Sandur is going to send a list of stat employees who are surplus to the requirement of the State and who will have to be provided elsewhere in Bellary di

If Sandur is constituted into a taluk all the staff proposed for absorption can be retained for the administration of the State area.

STATEMENT NO. I - Section I: This section deals with the State officials possessing general minimum educational qualifications who are fit for absorption in the Madras Ministerial Service. They are fit for absorption as Lower Division clerks and this may be done. The scale of pay to be fixed in Provincial service after absorption is noted in Col. 11 of the statement. They are not eligible for advance increments in that cadre as the revised scales of pay were given effect to in the late Sandur State in 1947 and hence no one has put in more than two years' service in the present State scales in that particular cadre.

Consequent on the merger of the Sandur State with the Indian Union, the Board of Revenue has submitted proposals for the absorption of the permanent members of the Public Services in that State into suitable posts under the Madras Government. The Govt have carefully gone into the qualifications of each member, the post occupied by him and the emoluments drawn by him in the State Service and have decided that the members referred to in the annexure below should be absorbed as lower division clerks in the Madras Ministerial Service. Under the concluding portion of Regulation 18(b) of the M.P.S.C. Regulations 1937, H.E. the Governor hereby dispenses with the concurrence of the Commission, that the appointments referred to above may be made without the ordinary statutory reference to the Commission. Under the rule published with Public (Services) Department Notification No. 16, dated the 26th January 1937 at page 272 of Part I of the

Fort St George Gazette, dated the 7th February 1950, H.E. the Governor also directs that the provisions of the relevant rules in the Special rules for the Madras Ministerial Service be relaxed to the extent necessary to enable the said persons to be ~~absorbed~~ appointed as lower division clerks in the Madras Ministerial Service.

Public Servants - Saudur - State employees - Absorption as lower division clerks in the Madras Ministerial Service

From the Bd. of Rev Ref. W. 5913/49-1 dated 5.1.1950.

—

To A.S

The extracts in the C.F have been taken with reference to the absorption as clerks of five employees of the erstwhile Saudur State who possess the minimum general educational qualification prescribed for those posts under the Madras Ministerial Service Rules. The cases of other clerks of the erstwhile Saudur State who do not possess the minimum general educational qualifications and of peons etc. are dealt with separately.

2. The Collector of Bellary has proposed and the Bd. of Rev has supported the absorption of the five candidates mentioned in the statement extracts on P 5 C.F as lower division clerks in the Madras Ministerial Service and their absorption in the Bellary Dt. These five candidates are permanent servants of the State. The proposal is examined below.

3. Appointment to the category of lower division clerks in the M.M.S is done either by direct recruitment under rule 2 of the special rules for that service or by transfer from 'any other service' for special reasons under

rule 3(e) of the same rules. As the employees of the former Sandur State cannot be deemed to belong to 'any other service' of this Govt. they will have to be absorbed in this Govts service only as direct recruits. Such direct recruitment to the category of L.D.Cs is made by the M.P.S.C. on the results of open competetive examinations. vide rule 2 of the spl. rules relating to M.M.S. under rule 30 of the same rules, no person shall be eligible for inclusion of his name in the list prepared by the M.P.S.C if he would have attained the age of 25 years on the first day of July of the year in which the examination is held. Under rule 31 of the above rules no one will be eligible for appointment to the post of L.D.C unless he possesses the minimum general educational qualification prescribed in the schedule to the general rules. Besides, under rules 28 and 29 of the M.M.S. Rules, the rules relating to communal and linguistic rotation also apply to such appointments. The rules referred to above will have to be relaxed to the extent necessary to enable the absorption of the above five candidates. Candidate no. 3 in the statement on P 5 of is below the prescribed age limit & hence relaxation of Rule 30 of M.M.S. Rules will not be necessary in his case. Even in the case of Bangarapalle State staff one candidate

who was 22 years of age was absd in the Madras Ministerial Service in the Madras Govt. on the recommendation of the Bd of Rev. The recommendation of the Collr of Bellary and the Bd of Rev to absorb all the five candidates in the Madras Ministerial Service may, therefore, be accepted & relevant rules relaxed.

4. As the M.P.S.C selects candidates for appointment by direct recruitment as lower division clerks in the Madras Govt. Services, the concurrence of that body is necessary for the absorption of these candidates in the category of lower division clerks under the latter part of Regulation 18(b) of the M.P.S.C regulations. The M.P.S.C may, therefore, be consulted in the matter. A draft letter is submitted for approval. Public (Poll), Public (Sec) and Fin may see before circulation.
